Github: <https://github/Shiwani>

Email: agshiw2005@gmail.com
Mobile: 6205618009

SKILLS

Languages:	C++, JavaScript, Java, Python
Frameworks:	HTML and CSS, NodeJS, React
Tools/Platforms:	MySQL, PowerBi, Git, VS code
Data Science:	Pandas, NumPy, Scikit-Learn, Matplotlib, Seaborn, NLTK
Soft Skills:	Problem-Solving, Communication, Leadership, Time Management

PROJECTS

NEO Distance and Frequency Tracker | [GitHub Link](#) Jan 2025 – Feb 2025

- Developed a data analysis project to study Near-Earth Objects (NEOs) using NASA's open datasets, focusing on their closest approach distances, frequencies, and temporal patterns.
- Performed extensive data cleaning, preprocessing, and exploratory data analysis to identify trends in asteroid trajectories and proximity to Earth.
- Created multiple visualizations including bar charts, line plots, scatter plots, and heatmaps to interpret NEO behavior and risk factors effectively.
- Tech: Python, Pandas, NumPy, Matplotlib, Seaborn

Urban Crime Analysis in India | [GitHub Link](#) April 2024 – May 2024

- Designed an interactive dashboard to analyze major crime categories across Indian cities using structured datasets for a multi-year period.
- Performed data preprocessing, statistical analysis, and created visualizations to identify crime hotspots, yearly patterns, and category-wise trends.
- Built a visually rich dashboard enabling filters, slicers, and comparative insights, helping users explore data effectively.
- Tech: Excel, Power BI / Tableau, Python (Pandas, Matplotlib)

CERTIFICATES

- | | |
|---|-------------|
| Computational Theory: Language Principle & Finite Automata Theory - Infosys | August 2025 |
| ChatGPT-4 Prompt Engineering: ChatGPT, Generative AI & LLM - Infosys | August 2025 |
| From Data to Insight: A hand of approach to Data Science – Lovely Professional University | July 2025 |

ACHIEVEMENTS

- | | |
|--|---------------|
| Secured Global Rank 6033rd
Among 25k+ participants in Leetcode Biweekly Contest 96 | March 2025 |
| Ranked in the top 20%
in multiple online coding assessments on platforms like HackerRank and LeetCode. | November 2024 |

EDUCATION

Lovely Professional University <i>Bachelor of Technology - Computer Science and Engineering; CGPA: 6.81</i>	Phagwara, Punjab August 2023- Present
DAV Public School <i>Intermediate; Percentage: 80</i>	Hazaribagh, Jharkhand April 2021 - March 2023
Carmel High School <i>Matriculation; Percentage: 86</i>	Hazaribagh, Jharkhand April 2020 - March 2021
